Origins

- UNODC tasked by UN Member States via the Commission on Crime Prevention and Criminal Justice in 2010.
- Established an Open-Ended Intergovernmental Expert Group on Cybercrime in 2011.
- Published, in draft, a Comprehensive Study on Cybercrime in 2013.
- Established a Global Programme also in 2013.

UNODC

United Nations Office on Drugs and Crime

Commencing the Global Programme on Cybercrime

- Focus on Capacity Building and Technical Assistance.
- Funded entirely by donors.
- Commenced in 2013.
- Challenges in 2014–15.

Eastern Africa

South East Asia

Technical Assistance, Capacity Building,
Prevention, Diplomacy, Cross-
Government, Cross-Society, Working in
Partnership

Building a cross-government response

Diplomacy: working with Permanent Missions to the UN and Ministries.

Policy: Ministries of Justice, Communication, Foreign Affairs, Home Affairs, National Security, Education...

Law Enforcement: National Police, National Security, Local Police, International Law Enforcement and Intelligence.

Prosecution / Judgement: State & National Prosecutors and Judges.

Prevention: Ministry of Education, NGOs, Faith Groups, Private Sector and more.

#WePROTECT National Model Response

UNODC

United Nations Office on Drugs and Crime

The Programme in Central America

El Salvador and Guatemala

- El Salvador since 2014, Guatemala since 2016.
- El Salvador now has a National Cyber Crime Unit within the National Civil Police.
- Designed and equipped in collaboration.
- Officers are selected, trained, mentored and then trained as trainers.
- Regular ongoing training and mentoring.
- Operational, tactical and strategic impact.

UNODC

United Nations Office on Drugs and Crime

- Building upon the excellent work of UNICEF and the #WeProtect Global Alliance.
- Equipping and mentoring.
- Online and offline training.
- Working with bilateral and international partners including the International Centre for Missing and Exploited Children (ICMEC).

UNODC

United Nations Office on Drugs and Crime

The Programme in South East Asia

South East Asia

- Recruitment of specialist counter-cybercrime P3 post in Bangkok – with regional command and global reach.
- Significant focus on countering online child sexual exploitation and abuse.
- Working in complete partnership.

Current and developing partnerships for the UNODC Global Programme on Cybercrime

INTERPOL

European Commission

We **PROTECT**

Mapping the Dark Net..?

Moving Forward Together

- New UNODC counter–Cybercrime Mentor in Bangkok (late 2016 / early 2017)
- Initial funding for 12 months
- Collaborative Strategy: early open, honest, trusted partnership
- Build on national, regional and international momentum: use UNODC' s niche capabilities
- Niche capabilities to support partners

Key Points

- We work only in partnership, not competition.
- We will blend our unique capabilities and build momentum and impact across agencies – sharing resources and skills will be the norm.
- We will play our part in making a tangible difference.
- We will de-conflict and minimise duplication.
- We play our part in keeping people, and society, safe.

UNODC

United Nations Office on Drugs and Crime

Thank-you

The UNODC Global Programme on Cybercrime
